

Spring Flower Craft

This surprising craft shows the sign I-LOVE-YOU!

Directions:

- 1) Trace a hand on construction paper and cut it out.
- 2) Glue down the middle and ring fingers of the hand so that it forms the sign I-LOVE-YOU.
- 3) Decorate the hand as desired.
- 4) Tape one end of a craft stick or straw to the back of the I-LOVE-YOU hand.
- 5) Cut out leaves from green construction paper and tape them to the craft stick or straw.
- 6) Use a pencil to punch a hole in the bottom of a paper cup.
- 7) Place the straw in the hole and pull it down so that the I-LOVE-YOU flower is hidden.
- 8) Push the craft stick or straw up from the bottom to make your flower grow! When you are ready to display your craft, turn the cup over to form a flowerpot. Poke the craft stick or straw through the hole to display.
