

## Colors Signs Songs and Rhymes

### Where are Colors? Song

(to the tune of Frere Jacques)

WHERE is RED? WHERE is RED?

LOOK-AROUND, LOOK-AROUND

Point to something RED, Point to something RED

JUMP up and down, JUMP up and down.

WHERE is BLUE?...DANCE around.

WHERE is YELLOW?...then WIGGLE around.

WHERE is GREEN?...then STOMP around.

WHERE is PURPLE?...then SIT down.

### Color Rhyme

Colors colors everywhere! Colors here and colors there.

BLUE is high up in the sky.

I see a RED bird flying by

GREEN GREEN grass is all around

Rich BROWN earth is on the ground.

### Fish Song

(to the tune of "Ten Little Indians")

One little BLUE FISH swimming in the water

swimming in the water

swimming in the water

One little BLUE FISH swimming in the water

BUBBLE BUBBLE BUBBLE BUBBLE pop!

### Ride Your Bike

from *Little Hands and Big Hands: Children and Adults Signing Together* by Kathy MacMillan  
(Huron Street Press)

(to the tune of "Row Row Row Your Boat")

Ride, ride, ride your BIKE, riding to and fro.

When the light is GREEN we know that now it's time to go.

Ride, ride, ride your BIKE, riding through the town.

When the light is YELLOW, we know it's time to slow down.

Ride, ride, ride your BIKE, riding to the shop.

When the light is RED we know that now it's time to stop.
