

5 Little Flowers

(to the tune of "10 Green Bottles")

1 little FLOWER GROWING in the sun
1 little FLOWER GROWING in the sun
But if ONE MORE FLOWER should come and join the fun
There'll be 2 little FLOWERS GROWING in the sun

2 little flowers...
3 little flowers...
4 little flowers...

5 little FLOWERS GROWING in the sun
5 little FLOWERS GROWING in the sun
But if no (NONE) MORE FLOWERS should come and join the fun
There'll be 5 little FLOWERS when the day is DONE.
